TUESDAY, JAN 31 1893.

CULTIVATION OF POPPY.—The cultivation of poppy in China, which has been more than once prohibited by imperial edicts appears to be increasing everywhere, and becoming a profitable trade. In Szechuen, where the climate is warm and the season early, two crops at least are produced on the same ground annually. The seed of the poppy is sown in February, the plants flower in April, and the fruits are so matured by the middle of May that the juice is collected, and the stalks removed, and burnt directly after, but previous to this the second crop, which may be either Indian corn, cotton, or tobacco is sown, and almost by the time the new crop makes its appearance. The profit derived from the cultivation of the poppy is not only the seed of a fair market value and a ready sale, but also from the fact that much of the work in the plantation, especially the gathering of the juice, can be done by the children of the family. The seed is sown in the morning, the juice which has oozed out in the day is collected in the evening and after simply exposing it to the sun for a few days it is ready for packing. The seed not required for sowing is used for food.

It Should be in Every House.
J. B. Wilson, 371 Clay street, Sharpsburg, Pa., says he will not be without Dr. King's New Discovery for Consumption, Coughs and Colds, that it has cured his wife who was threatened with pneumonia after an attack of "La Grippe," when various other remedies and several physicians had done her no good. Robert Barber, of Cockeysport, Pa., claims Dr. King's New Discovery has done him more good than anything he ever used for Lung Trouble. "Nothing like it. Try it. Free bottles at C. G. Lennon's Drug Store, 604 King street. Large bottles 50c and \$1.

New York and Florida Special.
The Pennsylvania Railroad Company announces that, commencing Wednesday, January 15th, Friday, January 20th, and every Monday, Wednesday, and Friday thereafter, "The New York and Florida Special" will leave Washington at 3:30 p. m., arriving at Jacksonville 3 p. m., and St. Augustine at 4:11 p. m. the following day. This train will run via the Wilson "Short Cut" of the Atlantic Coast Line (via Fayetteville), shortening the schedule almost two hours between New York and St. Augustine. The train will consist of drawing-room car, dining car, observation car, and sleeping cars—all vestibuled. Engagements made on application to ticket agents of the Pennsylvania Railroad.

MEDICINAL.

CASTORIA

for Infants and Children.

"Castoria is so well adapted to children that I recommend it as superior to any prescription known to me." H. A. ANCHUT, M. D., 111 So. Oxford St., Brooklyn, N. Y.

"The use of 'Castoria' is so universal and so beneficial to the child that it is a work of supererogation to endorse it. Few are the intelligent families who do not keep Castoria within easy reach." CARLOS MARTIN, D. D., New York City.

"For several years I have recommended your 'Castoria,' and shall always continue to do so as it has invariably produced beneficial results." LEWIS F. PARSONS, M. D., 153th Street and 7th Ave., New York City.

THE CASTORIA COMPANY, 77 MURRAY STREET, NEW YORK CITY.

PROF. L. WUNDERMAN'S ELECTORAL

Has a wide reputation throughout Europe as a NERVE TONIC and AID TO PREVENTION, and those afflicted with NERVOUSNESS, GENERAL DEBILITY or IMPAIRED DIGESTION will do well to give it a trial, as they will derive more lasting benefit from its use than any other similar preparation now in the market. It is aromatic and most palatable, and being compounded from wholesome herbs and roots alone, it may be safely taken by the most delicate invalid or convalescent, while SICK HEADACHE, an outgrowth of a disordered stomach, will vanish before it like magic. See trade mark, without which none is genuine.
